

Director's Welcome

Dear Guest!

The management and staff of Hotel Kumánia Spa would like to welcome you.

Thank you for choosing us for your holiday, relaxation and recovery.

In our guide we would like to inform you about our hotel's services and all the necessary information essential for a carefree relaxation.

Please check our room guide and watch out for our daily promotions.

Our hotel reception is open 24-hour to answer your questions and requests.

Your opinion is important to us so we would be thankful if you fill in our „**Guest satisfaction**” questionnaire and write your opinion to our Facebook site (www.facebook.com/HotelKumania)

Don't forget:

„Kumánia, is the place where silence and tranquility meet with quality”

We wish you a pleasant holiday and swift recovery.

*In the name of Team Kumánia: **Mátyás Kecze**, managing director*

The history of the hotel

Hotel Kumánia was built in 2012 in the heart of Great Cumania, Kisújszállás. It received the Spa hotel classification in 2015. Our hotel welcomes you with comfortable, well-equipped, air-conditioned rooms accessible for everybody. The hotel is in direct connection with Kumánia Spa and outdoor pools thus on the first level you can walk to the pool even in a bathrobe. People who are interested in wellness are welcome by 5 indoor and 3 outdoor pools, sauna world and special massages. There is a therapy unit in the spa where you can receive physiotherapeutic and medicinal treatments if you have health insurance.

Visitors of Kumánia are welcome by colourful programs all year round. For the lovers of gastronomy we can offer Hungarian and Cumanian dishes in our restaurant.

FIRST AID ROOM It can be found at the hotel's reception, the camping reception and on the premises of the thermal bath at the lifeguard's desk, at the tub treatment, at the patient administration.

FOOT MASSAGE One of the oldest type of treatments. The aim of the treatment is to restore the physical and spiritual balance. Appointments are to be made at the spa ticket office.

GYALPÁR POOL It can be found in the spa hall, it is a multi-functional thermal water pool.

HAIR DYER Our bathrooms are equipped with hair-dyer.

HATTYAS POOL It can be found in the thermal bath hall. Available for swimming and playing, it is with a slide.

HIGH FREQUENCY THERAPY A special treatment recommended by our specialist. The Hydrosun radiating-light therapy works in the infrared and ultra violet light range. These light waves are natural and can be excellently used in therapies. It enhances blood circulation, reduces pain and quickens healing of the wounds.

HONEY MASSAGE Honey has extremely good antiseptic, demukcent, muscle loosening, stress relieving, pain relieving and immune strengthening effect. It helps to regulate the energy flow and detoxification of the body. During its application the skin becomes smooth and healthy. It strengthens the body contours, improves the flexibility of the skin. The vitamin content of the honey enters deep into the skin, it absorbs the roughage, collects it and the treated area at the end of the massage gets rid of it. Ask for appointment at the hotel reception or at the spa ticket office.

INFRA SAUNA Between 55-60 °C temperature, opening hours at Monday, Tuesday, Wednesday, Thursday and Sunday 10:00 – 17:30, at Friday 12:00 – 19:30 and at Saturday 10:00 – 19:30

INTERNET It is available free of charge in the hotel and thermal bath area. The password is provided at the reception.

IRONING We provide ironing within an hour between 6:00-14:00, ask for help from the room maid or reception.

IRON AND STAND ask at the reception

IT HELP Ask for help at the reception.

KINESIO TAPE is a thin flexible cotton tape with acrylic glue which fixes the damaged muscles and joints without limiting their free movements thus the recovery time of joints and muscles problems can be significantly accelerated. In the majority of locomotive problems it proves to be an extremely effective auxiliary therapy. The tape is glued with a special technique and by this the skin and the tissues under the skin get relaxed thus the blood and lymph circulation intensifies. The tape stabilizes the muscles and the joints thus the pressure on the pain-sensing receptors decrease. Thanks to all these the regeneration of the tissues accelerates.

KNEIPP POOL You can try foot reflexology by walking on round stones thus healing and strengthening your body. You can find it between the outdoor pool and the plunge pool as well as in the indoor sauna world in front of the plunge pool.

LAND PHYSIOTHERAPY The physiotherapy done on the ground stabilizes the back, the spine and the waist muscles. Specialist's referral is needed, please ask for an appointment at the physiotherapists on weekdays between 7.30 – 15:30 at the 0670/682-6267 phone number.

LAUNDRY, IRONING Available for a fee. All materials submitted by 9 am will be cleaned within 9 hours. Dry cleaning is not available. Please ask for help from the room maid or reception.

LOCKERS They can be found in the changing room at the thermal bath entrance. It can be used for early or late check-ins.

LOST AND FOUND Object found in the hotel and the thermal bath will be kept. Upon request we can deliver it by post after your departure by cash on delivery.

LUGGAGE STORAGE Our luggage room is at the reception.

LUGGAGE CARRYING For help ask for the reception

LUNCH A la carte services from 12 o'clock

LYMPH MASSAGE TREATMENT The healthy lymphatic system carries the roughage from the connective tissues. In case of system disorder the lymph liquid cannot exit and then in the affected body part lymph edema happens. The massage at removing the gathered liquid and roughage.

MAGNETOTHERAPY TREATMENT The therapy with a special pulsating magnetic field improves and intensifies the blood circulation up to the capillary level, it activates metabolism, improves cell regeneration and increases the oxygen content of the tissues. It is quite effective to treat bone metabolism diseases (osteoporosis), fracture recovery and against loose articular prosthesis.

MANAGER MASSAGE It eliminates the unpleasant feeling of tensions in the muscles accumulates during the fast pace of weekdays. It is a short massage which you can take even in a coffee break, recommended for people doing sitting jobs. It is refreshing, stress relieving, improves your mood and applied especially on the neck, shoulders and the upper back area. Ask for appointment at the hotel reception or spa ticket office.

MCKENZIE PHYSIOTHERAPY McKenzie physiotherapy is a method based on the special examination and treatment of spine problems which can be mostly applied to reduce and terminate problems caused by spinal hernia. Its advantage is that with this we can avoid taking a lot of painkillers and demulcent pills. It provides fast and lasting changes instead of symptomatic treatment.

MEDICAL MASSOTHERAPY A massage only referred to by our doctor. Medical massotherapy is an excellent treatment for the different locomotive disorders and has a good stress relieving effect. You can ask for appointment at the spa ticket office.

MEDICINAL BATH It can be approached through the corridor on the first floor of the hotel.

MEDICINAL BATH TREATMENTS It includes pool bath, tub bath, mud treatment (we use mud compress), weight bath, effervescent bath, medical massotherapy, underwater jet stream massage, underwater group physiotherapy, complex medicinal bath treatments which can be used by a specialist's referral and treatment sheet.

MEDICINAL BATH TREATMENT, COMPLEX Four different medicinal treatments defined by a specialist which are used together to make a swifter and efficient recovery. GP's referral is needed.

MEDICINAL SITTING POOL The indoor „Szejkő” pool is equipped with benches.

MEDICINAL WATER Medicinal water is a kind of mineral water the medicinal effect of which is proven. The characteristic of our medicinal water: sodium-hydrogen-carbonate-like thermal water. Our indoor „Szejkő” and „Gyalpár” pools are filled with medicinal water of different temperatures. Our „Szejkő” pool mustn't be used by people under 14. Please check the information boards.

MEDICINAL WATER TUB BATH We can provide this treatment for those who because of their physical problems e.g. extensive skin abnormality, cannot use the common pools. Referred to by a specialist and can be used by prior arrangement.

MEETING ROOM It can be found 50 meters from Hotel Kumánia. It can host up to 50 people and serves as a venue for business meetings, professional trainings, conferences and family events.

MINIBAR Can be found in the hotel rooms. The content is filled up daily. It is charged to your hotel room.

MUD TREATMENT Mud has physical, biological and chemical effects, if it is applied on smaller and bigger it can improve the blood circulation, it dissolves muscle contractures and by improving metabolism it helps to regenerate the damaged tissues. In our thermal bath we use mud compress. If you want to get this treatment please ask about the price at the bath ticket office.

NECK SHOWER It is available in the thermal bath hall, in the „Gyalpár” and „Szejkő” pools and the „Marjalaka” pool.

NIGHT BATHING At pre-advertised times. Inquire at the reception.

NOTEBOOK AND PEN are included by the rooms

OPINION please fill in our „Guest satisfaction” questionnaire what placed in the room and write your opinion to our Facebook site.

ORTOPHAEDICS SPECIALIST CONSULTATION Every first Wednesday of the month, you need a referral from your GP and appointment time is needed.

OUTDOOR POOLS You can reach the outdoor pools through the thermal bath, seasonal opening hours. The „Marjalaka” thermal pool is open the whole year

PARKING It is free of charge and can be found at the hotel entrance. Please make sure that you do not occupy the parking places for guests with disabilities. Thank you!

PATIENT LIFTING With the help of this machine and of our colleagues guest with handicaps can also use the pools. Please ask for help from the lifeguards.

PÁLINKA MASSAGE Pálinka has a positive effect on the body not just internally but externally, as well. It is an intoxicating experience for the skin, as it refreshes and regenerates it. It is an excellent demulcent for the joints and total relaxation for the guests. Ask for appointment at the hotel reception or spa ticket office.

PETS Pets are allowed in designated rooms. Please use the „pet in the room” sign. We kindly ask you not to take your pet to the area of the spa and the curative unit as well as the restaurant. Except blind man's dog.

PHOTOCOPYING, SCANNING It is possible for free at the reception

PHONE CHARGER ask at the reception

PHYSIOTHERAPY Physiotherapy means the use of energies to be found in nature / sunshine, water, air and earth/ in medical science. Physiotherapy includes physiotherapy/ it is the collective name of treatments applying physical energies/, balneotherapy and climotherapy. In their effects besides the physical factors chemical substances/ carbon-dioxide, radon, mineral salts/ as well as biological factors / flora and fauna, pollen content/ play a role. The medical application of physiotherapy is extremely

widwspread but most often is used in the case of patients with special locomotive disorders/ reumathology, ortopaedics, neurology, traumathology, locomotive rehabilitation/.

RAZOR You can buy a set (razor, shaving foam) at the reception

REGULAR CUSTOMER PROGRAMME Ask about conditions at the reception.

REFRESHING MASSAGE The refreshing massage is a pleasant, ancient method to refresh the muscle, the skin and the blood circulation as well as for preventing and healing diseases. It also has a beneficial effect on the nerve system Thanks to its effect on the parasympathic nerve system. It dissolves the muscle strains, recovers the blood pressure and circulation thus compensates for the stressed, tense condition in the body.

RELAXING MASSAGE Relaxing massage is a soft massage type which fills the whole body with energy and soothes it at the same time. We recommend this to ease tiredness and exhaustion for those who want to get rid of the everyday stress and tension. It helps relaxing the overburdened, stiff muscles and the joints, the dissolution of pains. During the treatment the guest reaches a tranquil state in harmony with the environment, the wellbeing improves and the harmony of body and soul recovers. Ask for appointment at the hotel reception or spa ticket office.
